The BF30DDCE is an ideal fan for workshops, garages, warehouses and anywhere people and machines need to be kept cool. This model offers a reliable, economical solution to all your medium sized ventilation requirements. Construction site jobs, such as drying out water-damaged areas or speeding the curing process of concrete, tile and drywall are only a few of the many uses for this fan.

Comes out of the box completely assembled and ready to use To operate simply plug into a standard outlet 8 ft. power cord
